The image displays a large grid of 200 columns and 100 rows, divided into four vertical sections labeled 200, 210, 220, and 230. Each section contains a repeating pattern of symbols including letters (a, c, n), numbers (2, 3), and geometric shapes (triangles, diamonds, squares, circles). The symbols are arranged in a grid that forms a larger, faint image of a landscape or architectural structure. The grid is bordered by numbers 200, 210, 220, 230, and 240 at the top and bottom, and 150, 160, 170, 180, and 190 on the left and right sides.

A large grid for embroidery. The grid is divided into columns labeled 120, 130, 140, 150, and 160, and rows labeled 300, 310, 320, 330, 340, and 350. Each cell in the grid contains a small symbol, such as a letter (e.g., 'a', 'c', 'u'), a number (e.g., '3', '2'), or a geometric shape (e.g., diamond, cross, star). The symbols are arranged in a complex, repeating pattern across the entire grid.
